ORDERING LAMB (JULY-DECEMBER)

We offer a whole lamb or a half. A whole lamb will take up about two well packed drawers of a standard freezer unit. Delivery takes approximately two weeks.

Within our order form are the different cut options for half a lamb. Simply select one picture in each of the boxes if you are ordering half a lamb. If you are ordering a whole lamb you can select two pictures per box or the same picture twice if you want two cuts the same. One shoulder and a lap of lamb can be used to make approx 3 kg of mince. Do not hesitate to contact us if you have any questions or would like specialized cuts.

ORDERING BEEF (JUNE & OCTOBER)

If you would like to order beef, please contact us directly. We do beef boxes twice a year, they average about 32-34 kg they cost €8 per kg and are mixed cuts, i.e. mince, stewing meat, roasts, steaks

Please complete the order form and write your name, address, and telephone number in the boxes provided. Then just fold, seal and pop in the post.
